Preamble

The regulations of this club licensing system are based on the rules and regulations of the UEFA Club Licensing Regulations for the Women's Champions League approved by the Executive Committee of UEFA in 2022 and on the national regulations issued by the Executive Committee of the Football Association of Finland (hereinafter FAF), based on the point 20 of the paragraph 21 of the Constitution of FAF.

Part I. General provisions

Article 1 - Scope of application

1 The FAF club licensing system for participation in the UEFA women's club competitions only applies for participation in the UEFA Women's Champions League. The system is based on the national club licensing regulations for participation in the UEFA Women's Champions League. UWCL License shall be granted according to these regulations.

The UWCL License grants access only to the UEFA Women's Champions League. Without UWCL License a club cannot participate in the UEFA Women's Champions League.

All the clubs qualified for a UEFA Women's Champions League on sporting merit are entitled to apply for the UWCL licensing.

2 These regulations govern the rights, duties and responsibilities of all parties involved in the FAF club licensing system for participation in the UEFA Women's Champions League (part II) and define in particular:

- a) the minimum requirements to be fulfilled by FAF in order to act as the licensor for its clubs, as well as the minimum procedures to be followed by the licensor in its assessment of the club licensing criteria (chapter 1);
- b) the licence applicant and the UWCL Licence (chapter 2);
- c) the minimum sporting, football social responsibility, infrastructure, personnel and administrative, legal and financial criteria to be fulfilled by a club in order to be granted the UWCL Licence by FAF as part of the admission procedure to enter the UEFA Women's Champions League (chapter 3);

Article 2 - Objectives

1 These regulations aim:

- a) to further promote and continuously improve the standard of all aspects of football in Finland and to give continued priority to the training and welfare of young players in every club;

- b) to promote participation in football and contribute to the development of women's football;
- c) to ensure that clubs have an adequate level of management and organisation;
- d) to adapt clubs' sporting infrastructure to provide players, spectators and media representatives with suitable, well-equipped and safe facilities;
- e) to protect the integrity and smooth running of the UEFA Women's Champions League;
- f) to safeguard each club's identity, history and legacy;
- g) to encourage cooperation between licensors and clubs and enable the development of benchmarking for clubs in financial, sporting, legal, football social responsibility, personnel, administrative and infrastructure-related criteria throughout Europe;
- h) to embrace social responsibility in football;
- i) to promote a healthy relationship between clubs and supporters and increase accessibility in football.

- 2 The members of the Licence Committee are nominated by the FAF Executive Committee for one year term at a time. It's not restricted to renominate them for another term. The Licence Committee selects the chairman and vice-chairman from among their members. The nomination of chairman, vice-chairman and members of the Arbitration Tribunal is based on its own statutes. The two decision-making bodies must be independent from each other.
- 3 The licensing administration shall consist of 4-6 persons from the office staff of FAF, appointed by FAF General Secretary. There has to be the expert nominated for every group of licensing criteria. Experts have to be specialized to their function through education or at least 3 years of experience.

The licensing administration assists and guides the licence applicants/licensees in the implementation of these regulations, checks compliance with these regulations, requests all necessary documents and information in the licensing process from the licence applicants/licensees, sets the deadlines for submitting documents and information and prepares and presents the relevant matters to the Licence Committee and the Arbitration Tribunal.

The expert for financial criteria must have financial background and a diploma in accountancy/auditing recognised by the Central Chambers of Commerce or must have at least 3 years of experience in accounting/auditing matters (a "recognition of competence").
- 4 The licensing administration is headed by the Licensing Manager appointed by the FAF General Secretary. The Licensing Manager cannot belong simultaneously to the decision-making bodies. The individuals appointed to the licensing administration must be completely unbiased and under oath of secrecy. They must confirm this by signing the Confidentiality and Independence form. Members of the licensing administration cannot belong simultaneously to the FAF Executive Committee or Central Council and cannot act as representatives at the FAF Congress.

- 5 The Licence Committee decides upon the granting or refusal of the UWCL Licence on the basis of the documents provided by the submission deadline(s) set by FAF. The Licence Committee also decides on the withdrawal of a previously granted UWCL Licence.
- 6 The Arbitration Tribunal acts as the appeals body for decisions made by the Licence Committee. The Arbitration Tribunal decides on appeals submitted in writing and makes a decision on whether the UWCL Licence shall be granted, refused or withdrawn. Evidences which have not been provided for the Licence Committee, will not be taken into account in the Arbitration Tribunal.

The Arbitration Tribunal makes its decision based on the decision of the Licence Committee and all the admissible evidence provided by the appellant with its written request for appeal and by the set deadline.
- 7 The members of the Licence Committee and Arbitration Tribunal must act independently and impartially in the discharge of their duties.
- 8 The Licence Committee is composed of 6-8 persons, including the chairman and vice-chairman. The composition of the Arbitration Tribunal is based on its own statutes.
- 9 The Licence Committee must include at least one qualified lawyer and one chartered auditor (KHT or HT) holding a qualification recognised by the Central Chambers of Commerce.
- 10 The members of both decision-making bodies must not act simultaneously as Licensing Manager and must not belong simultaneously to a judicial statutory body of FAF.

The members of the Licence Committee must not be simultaneously members of the FAF Disciplinary Committee, Appeal Committee or Protest Committee.

The members of the Arbitration Tribunal must not be simultaneously members of the FAF Executive Committee, Council, Disciplinary Committee, Appeal Committee or Protest Committee or of any other statutory decision-making body, organ or committee of FAF.

The members of the Arbitration Tribunal must not be simultaneously members or alternates of the Executive Committee of the Football League or of any other statutory decision-making body, organ or committee of the Football League.

Administrative staff members of FAF and the Football League cannot be simultaneously members of the Arbitration Tribunal.

- 11 When their chairman is not present, the meeting must be presided by the vice-chairman.
- 12 The Licence Committee validly deliberates when minimum half of its members is present, of whom at least one member must be the chairman or the vice-chairman. In other words, its quorum is minimum half of members, of whom at least one member must be the chairman or the vice-chairman.
- In case of a tie, their chairman (or, in his absence, the vice-chairman) has the casting vote.
- The quorum of the Arbitration Tribunal is based on its own statutes.
- 13 The members of both decision-making bodies must be completely unbiased and under oath of secrecy. They must confirm this by signing the Confidentiality and Independence form. The members of both decision-making bodies must abstain from discussing and voting if there is any doubt as to their independence from the licence applicant, or if there is a conflict of interest (e.g. when a UWCL Licence application from an applicant, which they are, or have been, actively involved with, is being reviewed), or if their neutrality is for any other reason in question. The independence of a member may not be guaranteed if he or any member of his family (spouse, children, parents or siblings) is a member, shareholder, business partner, sponsor or consultant of the licence applicant. The foregoing list is not exhaustive.
- 14 The Licence Committee serves for the period of 01 November to 31 October of the following year. The term of office of members of the Arbitration Tribunal is based on its own statutes.
- 15 Should a member or his alternate resign or be prevented from serving as member of the Licence Committee, a new member will have to be appointed by the FAF Executive Committee.
- 16 Appeals may only be lodged by:
- a licence applicant, who has received a negative licensing decision from the Licence Committee; or
 - a licensee, whose UWCL Licence has been withdrawn by the Licence Committee; or
 - the Licensing Manager, acting on behalf of the licensor.

ANNEX B: Catalogue of Sanctions and Disciplinary Process

Catalogue of Sanctions for the non-respect of the club licensing criteria referred to in Article 16 (2).

- 1 The Licence Committee (and, on appeal, the Arbitration Tribunal) will fix the sanctions, which can be a unique or a combination of the following sanctions, against the licence applicants/licensees that are in breach of the club licensing criteria referred to in Article 16 (2):
- caution;
 - obligation to submit evidence or fulfil certain conditions by a certain deadline;
 - obligation to submit guarantees;
 - fine; and
 - deduction of points

These sanctions can be imposed before as well as during and after the season.

Disciplinary Process in respect of all violations of these regulations other than those of the club licensing criteria referred to in Article 16 (2)

- 2 All violations of these regulations (e.g. submission of false or misleading information, etc.) committed by the licence applicant/licensee, with the exception of those of the club licensing criteria referred to in Article 16 (2) will be referred to the FAF Disciplinary Committee (and, on appeal, to the FAF Appeal Committee), which may impose sanctions in accordance with the FAF disciplinary regulations.
- 3 Sanctions may be directed against the licence applicant/licensee.
- 4 The FAF disciplinary regulations apply.

Admission to the UEFA Women's Champions League

- 5 The licence applicant/licensee must fulfil all the requirements according to the UEFA Women's Champions League competition regulations in order to be admitted to the UEFA Women's Champions League.
- 6 The admission process falls under the sole jurisdiction of UEFA.
- 7 UEFA takes the final decision regarding the admission of a club to participate the UEFA Women's Champions League.
- 8 Such decisions are subject to all the statutes-based jurisdiction of UEFA, including the Court of Arbitration for Sport (CAS).

ANNEX C: The Core Process

The licensing process applies to the verification of the club licensing criteria and the control of the proper and correct issuance of the UWCL Licence.

- 1 The licensing administration, the decision-making bodies and the licence applicants/licensees must observe the following principles during the licensing process:
 - a) Licence applicants/licensees must be given the right to be orally heard. Hearings are not public.
 - b) Licence applicants/licensees have right to be legally represented before both decision-making bodies.
 - c) Licence applicants/licensees are entitled to submit their written material in an official domestic language.
 - d) When counting the deadlines, the principles regulated in the *Finnish law regarding the counting of deadlines*, are followed (25.4.1930/150).
 - e) A request for further information, a decision or other notice given related to the licensing process sent by email or fax are valid.
 - f) The licencing administration and the decision-making bodies must treat all licence applicants/licensees equally.
 - g) Decisions on granting or refusing the UWCL Licence must always be issued in writing and a refusal of the UWCL Licence must include the written reasoning for the refusal. Decision-making process is not public. Decisions can be published.
 - h) No fees are charged to the licence applicants/licensees for the licensing process.
 - i) For especially weighing reasons, the Licence Committee can grant exceptions to the deadlines defined in these regulations: a written, well-argued request for extension of the deadline must be submitted to the Licensing Manager prior to the deadline, and the Licence Committee will decide in its meeting whether or not the evidence can be taken into account.

- j) The Arbitration Tribunal can make decisions based exclusively on evidence that has been available in the time of the decision-making by the Licence Committee. If an appeal is made based on a procedural error by the Licence Committee, the case cannot be remitted to the Licence Committee. If there are reasons to assume that the said procedural error has had an effect on the case and the end result, the Arbitration Tribunal shall investigate and clarify the matter. However, the decision of the Arbitration Tribunal must include a statement regarding the claimed procedural error.
 - k) Both decision-making bodies can shorten the applicable deadlines with licence applicant's/licensee's consent if there are good reasons to do so.
 - l) An appeal against a decision made by the Licence Committee does not postpone the validity of the first-instance decision unless the Licence Committee decides otherwise.
- 2 The FAF must communicate the timetables and key deadlines of the UWCL license core process to the license applicants by 15th February preceding the license season. The UWCL Licence issued by FAF must be applied for in writing by no later than 60 days before the deadline communicated by UEFA for submitting the licensing decisions (by 31st March in principle) preceding the licence season by using the Licence Application form prepared by FAF. The Licence Application form must be signed by an authorised signatory/signatories of the licence applicant and its related company, if the competition activities have been transferred to an incorporated company.
- The licensing process starts each year no later than on 28th February with the submission of the licensing documentation to the licence applicants by the licensing administration and ends on submission of the list of licensing decisions to UEFA by the deadline communicated by the latter (in principle on 31 May).
- 3 The application shall consist of the licensing documentation proving the fulfilment of the licensing requirements that are mentioned in these regulations. The licence applicant has the burden of proof.
 - 4 The experts review the licence applicants' documents and make experts' reports that will be submitted to the Licence Committee.
 - 5 The Licence Committee may request additional information from the Licensing Manager, the experts or the licence applicant during the licensing process.

- 6 Within seven days prior to the Committee's meeting, in which the licensing decision is to be made, the licence applicant must make written representations to the licensor as required by Article 52.
- 7 The Licence Committee decides upon the granting or refusal of the UWCL Licence no later than 21 days before the deadline communicated by UEFA for submitting the licensing decisions (by 10th May in principle) preceding the licence season.
- 8 The decision of the Licence Committee containing the reasoning and the information about the appealing process must be given in writing to the licence applicants. Information on the appealing process before the Arbitration Tribunal must be attached to the negative decision of the Licence Committee.
- 9 The parties eligible to file an appeal before the Arbitration Tribunal (cf. Annex A point 16) must lodge their appeal in writing within 10 days from the notification of the decision of the Licence Committee. The grounds for an appeal are not limited.
- 10 The Arbitration Tribunal must make its decision within the deadline communicated by UEFA for submitting the licensing decisions (31 May in principle). The decision containing the reasoning must be given in writing to the appellant in question. Decision-making process is not public. Decision can be published.
- 11 The licensor must submit the list of licensing decisions to the UEFA within the deadline communicated by UEFA (31 May in principle).
- 12 The applicable deadlines of the licensing process are submitted to the clubs separately. The different steps of the licensing process are as follows:

Documents related to the FAF club licensing system for participation in the UEFA Women's Champions League (requirements, questionnaires, feedback forms as well as a copy of these regulations) are delivered to the licence applicants

Licence applicants complete and return all the licensing documents related to sporting, infrastructure, personnel and administrative, and legal criteria as well as the licence application

Licence applicants submit their licensing documents related to the financial criteria, except for those related to the written representations letter (Article 52).

The Licensing Administration assesses the documentation submitted by the Licence Applicants

Licence applicants submit the written representations letter to the licensor.

Licence Committee's meeting: decisions on granting or refusing the UWCL Licence to licence applicants

Licence applicants informed in writing about the decisions of the Licence Committee.

Denied licence applicants to lodge an appeal in writing before the Arbitration Tribunal. Tribunal notified and meeting date set.

Arbitration Tribunal meeting: final and binding decisions.

Licence applicants informed in writing about the decisions of the Arbitration Tribunal.

The licensing administration submits its list of licensing decisions to UEFA.

ANNEX D: Extraordinary application of the UEFA club licensing system

1. The UEFA Administration defines the necessary deadlines and the minimum criteria for the extraordinary application of the UEFA club licensing system as specified in Article 15 (1) and communicates them to FAF at the latest by 31 August of the year preceding the licence season.
2. FAF must notify the UEFA Administration of such extraordinary application requests in writing and stating the name of the club concerned by the deadline communicated by the UEFA administration.
3. FAF is responsible for submitting the criteria to the club(s) concerned for the assessment for the extraordinary procedure at national level. It must also take immediate action with the club(s) concerned to prepare for the extraordinary procedure.
4. The club(s) concerned must provide the necessary documentary proof to FAF that will assess the club(s) against the fixed minimum standards and forward the following documentation in one of the UEFA official languages to the UEFA Administration by the deadline communicated by the latter:
 - a) a written request to apply for special permission to enter the UEFA Women's Champions League;
 - b) a recommendation by FAF based on its assessment (including the dates and names of the persons having assessed the club(s));
 - c) all documentary evidence provided by the club(s) and FAF as requested by the UEFA administration;
 - d) any other documents requested by the UEFA Administration during the extraordinary procedure.
5. The UEFA Administration bases its decision on the documentation received and grants special permission to enter the UEFA Women's Champions League if all the set criteria are fulfilled and if the club(s) ultimately qualifies on sporting merit. The decision will be communicated to FAF, which has to forward it to the club(s) concerned.
6. If such a club is eliminated on sporting merit during this extraordinary procedure, FAF has to notify the UEFA Administration immediately, and this procedure is immediately terminated, without further decision. Such a terminated procedure cannot be restarted at a later stage.
7. Appeals can be lodged against decisions made by the UEFA Administration in writing before the Court of Arbitration for Sport (CAS) in Lausanne (Switzerland) in accordance with the relevant provisions laid down in the UEFA Statutes.

- b) be submitted to the licensor together with the relevant documentation to form a basis for the licensing decision.

ANNEX F: Disclosure requirements for the financial statements

A. Principles

 - c) The annual accounting reference date and the period covered by the financial information (for both current and comparative information); and
 - d) The presentation currency.
3. If the annual financial statements are not in compliance with the disclosure requirements set out in Annex F, then the licence applicant must also submit to the licensor:
 - a) supplementary information to meet the disclosure requirements set out in Annex F;

Therefore, they generally result from the transactions and other events that enter into the determination of net result. The minimum disclosure requirements are stated below:

ANNEX G: Notion of overdue payables

1. Payables are considered as overdue if they are not paid according to the contractual or legal terms.
2. Payables are not considered as overdue, within the meaning of these regulations, if the licence applicant/licensee (i.e. debtor club) is able to prove by the applicable deadline i.e. 31 March in respect of Article 55, Article 56, Article 57 and Article 58 that
 - a) the relevant amount has been settled, i.e. either paid in full or offset against the creditor's obligations towards the debtor; or
 - b) the deadline for payment of the relevant amount has been deferred (referred to as "amounts deferred" in these regulations), i.e. an agreement has been concluded in writing with the creditor to extend the deadline for payment (a creditor not requesting payment of an amount does not constitute an extension of the deadline); or
 - c) it has brought the relevant amount is subject to a legal claim or open proceedings (referred to as "amounts disputed" in these regulations), meaning:
 - i) the debtor has brought a legal claim which has been deemed admissible by the competent authority under Finnish national law or has opened proceedings with the national or international football authorities or relevant arbitration tribunal contesting liability in relation to the overdue payable, knowing that if the decision-making bodies (licensor or CFCB) consider that such claim has been brought or such proceedings have been opened for the sole purpose of avoiding the applicable deadlines set out in these regulations (i.e. in order to buy time), the amount will still be considered as an overdue payable; or
 - ii) the debtor has contested to the competent authority under Finnish national law, the national or international football authorities or the relevant arbitration tribunal, a claim which has been brought or proceedings which have been opened against it by a creditor in respect of overdue payables and is able to demonstrate to the comfortable satisfaction of the relevant decision-making bodies (licensor or CFCB) that it has established reasons for contesting the claim or proceedings which have been opened, knowing that if the decision making bodies (licensor or CFCB) consider the reasons for contesting the claim or proceedings as manifestly unfounded the amount will still be considered as an overdue payable; or
 - d) settlement of the relevant amount is pending (referred to as "amounts pending" in these regulations), meaning:

- i) the debtor has requested a competent authority, in writing and in accordance with the Finnish national law, to extend the deadline for payment of payables to social/tax authorities (as defined by Article 57), and the competent authority has confirmed in writing that this request has been deemed admissible and still pending by 31 March (in respect of Article 57); or
- ii) the debtor is able to demonstrate to the comfortable satisfaction of the relevant decision-making bodies (licensor or CFCB) that it has taken all reasonable measures to identify and pay the creditor(s) in respect of training compensation and solidarity contributions (as defined in the *FIFA Regulations on the Status and Transfer of Players*).

ANNEX H: Licensor's assessment procedures

A. Principles

The licensor defines the assessment procedures, ensuring equal treatment of all clubs applying for a licence. It assesses the documentation submitted by the clubs, considers whether it is appropriate and determines to its comfortable satisfaction whether each criterion has been met and what further information, if any, is needed for each licence to be granted.

The assessment processes to check compliance with the defined provisions set out in Article 10 of these regulations comprise specific assessment steps that must be followed by the licensor as set out below.

B. Assessment of the auditor's report on the financial statements

1. In respect of the annual financial statements and interim financial statements, the licensor must perform the following minimum assessment procedures:
 - a) Assess whether the reporting perimeter is appropriate for club licensing purposes.
 - b) Assess the information submitted to form a basis for the licensing decision.
 - c) Read and consider the annual financial statements and interim financial statements and the auditor's report thereon.
 - d) Address the consequences of any modifications to the auditor's report (compared to the normal form of unqualified report) and/or deficiencies compared to the minimum disclosure and accounting requirements according to paragraph 2 below.
2. Having assessed the reporting perimeter and read the auditor's report on the annual financial statements and interim financial statements, the licensor must assess these according to the items below:
 - a) If the reporting perimeter does not meet the requirements of Article 53, the licence must be refused.
 - b) If the auditor's report has an unqualified opinion, without any modification, this provides a satisfactory basis for granting the licence.
 - c) If the auditor's report has a disclaimer of opinion or an adverse opinion, the licence must be refused, unless a subsequent audit opinion without disclaimer of opinion or adverse opinion is provided (in relation to another set of financial statements for the same financial year that meet the minimum requirements) and the licensor is satisfied with the subsequent audit opinion.

- d) If the auditor's report has, in respect of going concern, an emphasis of matter, a key audit matter or a qualified 'except for' opinion, the licence must be refused, unless either:
 - i) a subsequent audit opinion without going concern key audit matter or qualification is provided, in relation to the same financial year; or
 - ii) additional documentary evidence demonstrating the licence applicant's ability to continue as a going concern until at least the end of the licence season has been provided to, and assessed by, the licensor to its satisfaction.
 - e) If the auditor's report has, in respect of a matter other than going concern, an emphasis of matter, a key audit matter or a qualified 'except for' opinion, then the licensor must consider the implications of the modification for club licensing purposes. The licence may be refused unless additional documentary evidence is provided and assessed to the satisfaction of the licensor. The additional evidence that may be requested by the licensor will be dependent on the reason for the modification to the audit report.
 - f) If the auditor's report makes a reference to any situation defined in Article 52 the licence must be refused.
3. If the licence applicant provides supplementary information and/or restated financial statements, the licensor must additionally assess the auditor's report on the agreed-upon procedures in respect of the supplementary information and/or restated financial statements. The licence may be refused if the auditor's report is not to the satisfaction of the licensor and/or includes reference to errors and/or exceptions found.

C. Assessment of licensing documentation for no overdue payables

1. In respect of the no "overdue payables" criteria to football clubs, employees and social/tax authorities, the licensor may decide:
 - a) to assess itself the information submitted by the licence applicant, in which case he must perform the corresponding assessment according to paragraph 2 below; or
 - b) to have independent auditors carry out the assessment procedures in accordance with ISRS 4400, in which case the licensor must assess the information submitted by the licence applicant (in particular the payables tables and corresponding supporting documents) and review the auditor's report. The licensor may carry out any additional assessment it believes necessary, including by extending the sample or requesting additional documentary evidence from the licence applicant.
2. Notwithstanding whether the assessment is carried out by the licensor or an independent auditor in respect of the "no overdue payables" criteria to football

clubs, employees and social/tax authorities, the following minimum procedures must be performed and described in the licensor's or auditor's report:

- a) Obtain the payables tables as at 31 March submitted by the licence applicant in respect of obligations due to be paid by 28 February (i.e. the transfers table, the employee table, the social/tax table and corresponding supporting documents);
 - b) Perform the necessary steps (including determination of the sample size) to assess the completeness and accuracy of the reported balances and issue a conclusion with regard to each of the procedures performed;
 - c) Check the completeness of any overdue balance reported by the licence applicant as at 28 February;
 - d) Check the settlement of any overdue payables between 28 February and 31 March; and
 - e) Identify any overdue balance as at 31 March.
3. In respect of the "no overdue payables" criterion in respect of UEFA and the licensor, the licensor must perform, as a minimum, the following assessment procedures:
- a) Review any information received from UEFA with regard to pending overdue amounts owed by the licensor's affiliated clubs and check the settlement of any overdue balance between 28 February and 31 March; and
 - b) Carry out any additional assessment and request any additional documentary evidence from the licence applicant it believes necessary.

D. Assessment of the written representation prior to the licensing decision

1. In respect of the written representation, the licensor must read and consider the impact of any significant change that has occurred in relation to the club licensing criteria.
2. The licensor must also read and consider the information in respect of any event or condition of major economic importance, in combination with the financial statements, future financial information and any additional documentary evidence provided by the licence applicant. The licensor may decide to have this assessment carried out by an auditor.
3. The licensor must assess the club's ability to continue as a going concern until at least the end of the licence season. The licence must be refused if, based on the financial information that the licensor has assessed, in the licensor's judgement, the licence applicant may not be able to continue as a going concern until at least the end of the licence season.

4. If the licence applicant (or the registered member which has a contractual relationship with the licence applicant within the meaning of Article 12) or any parent company of the licence applicant included in the reporting perimeter is/was seeking protection or has received protection from its creditors pursuant to laws or regulations within the 12 months preceding the licence season or is receiving protection at the time of the assessment then the licence must be refused. For the avoidance of doubt the licence must also be refused even if the concerned entity is no longer receiving protection from its creditors at the moment the licensing decision is taken.
